

## BAETS Video Prize Submission

- Submissions should focus on **endocrine and thyroid surgery**, targeting consultants and senior surgical trainees.
- Content may include:
  - Operative techniques
  - Case presentations
  - Discussions on key topics in endocrine and thyroid surgery
- Narration must be in **English**.
- **Videos should be 3-5 minutes long, with a maximum of 5 minutes.** Entries longer than this will be disqualified.
- Judging criteria:
  - Relevance to endocrine and thyroid surgery
  - Educational value
  - Technical quality
- BAETS reserves the right to:
  - Select which videos to display
  - Withhold any submission from presentation
  - Archive and manage all submitted content
- Accepted videos will be made available to attendees of the **BAETS Annual Scientific Meeting** via the conference app.
- **Prize winners** will be announced at the BAETS Gala Dinner. There will be a prize of £250 for the video with the highest votes.
