

BSCB / GenSoc Conference Monday 19 – Thursday 22 April 2027 Abstract Submission Guidelines

Authors wishing to submit an abstract for an oral or poster presentation are requested to submit a maximum of 50 words for the abstract title and 250 words for the abstract text in English.

Oral or Poster Categories

If your poster does not seem to fit into one of these categories please just pick whichever category seems closest. Posters are selected on the grounds of general scientific worth and not on whether or not they fit into these categories. All posters should however be broadly relevant to developmental biology or genetics.

All abstracts need to be submitted via the online abstract submission form.

When submitting your abstract, please note the following important instructions:

- The abstract deadline for short talks is **Friday 18th December, 2026 Midnight (GMT)**
- Authors will be advised of the decision for oral presentations by the end of January, 2027
- All presenters (**poster and short talk**) will be required to register separately and pay the appropriate registration fee
- At the time of submitting your abstract you will be asked to select the type of presentation you would like to give
- Abstracts selected for a **short talk** presentation can **also** be presented as a poster.

Poster Presentations

Posters will be on display throughout the conference. There will also be allocated Poster Sessions.

If you intend to submit an abstract for Poster Presentation please note the following:

- Poster boards are 1.8 metres high and 0.9 metres wide. It is recommended that displays do not exceed 1.5 metres in length.
- Posters can be put up from registration on Monday 19 April and should be removed no later than the last break on Thursday 22 April. The organisers cannot be held responsible for any posters left after this time.

If you are a student or postdoc and wish to submit a poster, you will have the opportunity to be considered for a Student/Postdoc Poster Prize. If you would like to be considered, then please indicate this on the abstract form. Please note that you can only be considered for one prize.
