7th RSC-BMCS/SCI Symposium on Ion Channels as Therapeutic Targets

Monday 27th March – Tuesday 28th March, 2023

Abstract Submission Guidelines

Authors wishing to submit an abstract for an oral or poster presentation are requested to submit a maximum of 50 words for the abstract title and 350 words for the abstract text in English.

Category

The organisers have decided not to have specific categories to receive abstract submissions in. When reviewing the abstracts, they will select and allocate them within the programme where appropriate.

All abstracts need to be submitted via the online abstract submission form.

When submitting your abstract, please note the following important instructions:

- Without exception, late oral submissions will not be accepted after **Midnight (BST), Friday 24th June 2022**
- Without exception, late poster submissions will not be accepted after **Midnight (GMT), Saturday 31st December, 2022**
- Authors will be advised of the decision for oral or posters soon after the closing date
- All presenters will be required to register separately and pay the appropriate registration fee
- At the time of submitting your abstract you will be asked to select the type of presentation you would like to give
- Abstracts selected for a flash oral presentation can **also** be presented as a poster.
- Image and table submission is allowed
